The Court conducts a telephonic Cheeks hearing. For the reasons stated on the record, the Court concludes that the amended Settlement Agreement (DE #37), and the allocation of the proceeds thereunder, are fair and reasonable, with the following revision to correct a scrivener's error in Section 9, titled "Release Notification": the waiver of potential claims referenced in that section is limited to the released claims as set forth in Section 2. The Court also finds that the Settlement was

achieved through arms-length negotiations.  
A stipulation of discontinuance is due  
by February 7, 2020.
